

# A Spring of Languages

## SEMINARS AND WORKSHOPS

### Making Sense of the Modern Classroom

What are interactive whiteboards, how do we use them, how can they improve the teaching situation, what are the advantages (and disadvantages)? These are just some of the questions that we will try and answer during this hands-on teacher training session.

Seminar with **Harry Cullinane**, *Eli*

Bergamo 26 febbraio - ore 16.30  
ISIS "Quarenghi", Via Europa 27

### Uncovering English: from Activity to Interactivity

Macmillan 3rd Teacher Training Conference focusing on crucial topics such as choosing the right exam and preparing students, understanding grammar, and a lot more...

Conference with **Steve Taylore-Knowles**, **Jonathan Coxall**, **Margaret Fowler**

Bergamo 6 marzo - ore 15.15  
ISIS "Quarenghi", Via Europa 27

### Binary and Chalk: How to Combine Existing Pedagogical Skills with Exciting New Technologies

In this workshop we will look at the multitude of exciting possibilities that technology presents - audio manipulation, electronic task-based activities, electronic dictionaries and presentational software - providing ideas and materials that can be used by teachers in their next lesson.

Seminar with **Brendan Wightman**, *Cambridge University Press*

Bergamo 26 marzo - ore 16.30  
ISIS "Quarenghi", Via Europa 27

### Tildes y acentos en la nueva ortografía de la Real Academia Española

Una reflexión sobre las reglas de acentuación del español, que permita entender los fundamentos del sistema, de cara a abordar su aplicación en la enseñanza y aprendizaje del español como lengua extranjera.

Seminario con **Marta García Gutierrez**, *Real Academia Española, Madrid*

Bergamo 3 aprile - ore 16.30  
ISIS "Quarenghi", Via Europa 27

Ministero della Pubblica Istruzione  
Ufficio Scolastico Provinciale di Bergamo

# 2009
