

Simply Better Learning

The Challenges of DSA: A User's Guide

3rd March 2016

16.20 – 18.30

**ITG G. Quarenghi
Via Europa, 27
BERGAMO**

PROGRAMME

16.20 – 16.30

Registration

16.30 – 17.45

The Challenges of DSA: A User's Guide

Understanding and developing key strategies, and practical tips when teaching classes with students with DSA. This seminar will provide insights into what a student really sees and understands as well as how we as teachers can provide the support for learning success.

Maria Grazia Ferrari, author and DSA expert teacher

17.45 – 18.00

Coffee break & materials display

18.00 – 18.30

Digital Resources for Teachers and Students

An update on digital online resources for English Language Teachers.

Marcus Tubby, Cambridge University Press senior ELT Consultant
