SEMINARS AND WORKSHOPS

The World Speaks IELTS

The workshop will include overviews of testing, scoring and test use. Test format, task types and writing and speaking modules will be presented. Teachers will learn how to integrate IELTS preparation into course curricula.

Seminar with **Margaret Fowler**, *Country Examinations Manager, British Council Milano*
Bergamo 10 febbraio - ore 16.30
ITG "G. Quarenghi", Via Europa 27

Preparing Children for the Cambridge Young Learners' Test

The seminar will provide a detailed look at the Cambridge ESOL Young Learners suite of tests, give teachers tips on preparation strategies for students, examine the language and skills teachers should focus on and advise teachers on activities and materials for the classroom.

Seminar with **Mark Murkin**, *Cambridge ESOL Examiner*

Bergamo 11 febbraio - ore 15.30
ITIS "G. Natta", Via Europa 15

Bringing Books to Life. How New Technologies Can Enhance your Teaching

This session focuses on the skill of Reading and how teachers can use even the shortest of literary texts as a departure point for exciting lessons. Our aim is to demonstrate to teachers how new digital materials can enhance the classroom environment with enjoyable, ready-made, user friendly activities.

Seminar with **Karl Matthews**, *Teachers Trainer*

Bergamo 10 marzo - ore 16.00
ISIS "G. Galli", Via Gavazzeni 37

Practical management for Mixed Ability and Specific Learning Difficulty Students

The talk will look at the practical issues facing teachers when dealing with mixed ability classes as well as how to deal with SLD learners. Ways of planning and managing lessons through practical ideas and solutions will be presented to optimise student learning and ease the difficulty on the teacher.

Seminar with **Russell Lewis**, *Educational Consultant Pearson Italia*

Bergamo 24 marzo - ore 15.30
ITG "G. Quarenghi", Via Europa 27

Back to BEC: more teaching tips

Following last year seminar on BEC exams, we will look further into the various papers and tasks involved in the exams, especially reading and writing. In the second part of the workshop, a range of classroom suggestions will be provided on how to prepare students for the exam.

Workshop with **Roger Smith**, *Teacher Trainer*

Bergamo 14 aprile - ore 16.30
ITG "G. Quarenghi", Via Europa 27

Insegnare le lingue grazie all'apporto degli alunni non-italiani in aula

La presenza di alunni stranieri è una preziosa risorsa nelle lezioni di L2. Infatti consente di presentare in maniera concreta la nozione delle lingue come portatrici di una diversa forma mentis culturale. Il seminario fornirà esempi pratici di attività didattiche impostate in questa ottica "comunicativo-culturale".

Seminario con **Patrick Boylan** and **Steve Franzoni**

Bergamo 26 maggio - ore 15.30
ITG "G. Quarenghi", Via Europa 27
